

UPDATE

April-June 2023

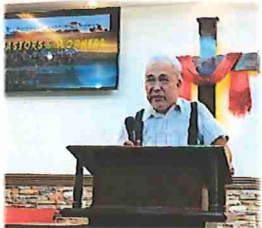

Dear Brethren at *Open Door*:

In our last prayer letter, we were making preparation for a visit to the Philippines. April is one of the hottest months of the year, and that was very true this year. We spent a total of 28 days there visiting Bethel Baptist Church, visiting churches and works of some of the graduates of the Bible institute where we taught, and works of pastors that were called and trained under our ministry. It was a blessing to see how the Lord is continuing to use them and how the gospel continues to be shared through those who were saved and trained in the churches we started.

While we were there, we had the opportunity to share the gospel in a public school, hold seminars for pastors, pastors' wives, and church workers, preach in their churches, and just fellowship with the believers. It was all very encouraging and uplifting to see their joy in serving the Lord and be on the receiving end of the hospitality for which the Filipinos are well-known.

Here are just a few pictures of what we did.

Thank you for your continued support and your love and prayers for us. May God richly bless you for all your sacrifices for the sake of the Gospel.
