In Psalm 107 we are reminded 4 times of God's desire that we praise the Lord for His goodness, and for His wonderful works to the children of men. It is impossible for us to always understand just what God is doing in our lives, but we are thankful that He knows what He is doing and desiring to do in our lives, therefore, we can trust when we cannot understand.

In our last prayer letter, we told you, of our rush to get to Brasilia to the doctor who had been such a blessing a year ago, in reversing much of Brother Nichols clogged arteries. He was able to reverse the stroke in February. We were obligated to go back to Formiga the end of March in order to turn over paperwork for the farm. It was too early in the treatment for Bro. Nichols to be able to safely return. He had another stroke, as well as much detriment to his lungs because of getting Covid along the way. We have been working on the lungs and many other health problems until now. We have seen many improvements in Brother Nichols health for which we praise the Lord!

Lord willing, we are tentatively looking to leave Brasilia in September and get back into the work in Carmo do Rio Claro. Please help us through prayer for Bro. Nichols continued recovery. The work in Carmo is thriving. The people are maturing, winning souls, discipling new converts, taking over responsibilities in every area of service for the Lord.

We rejoice in how God is faithfully taking care of us here in Brasilia. We have been able to give out many tracts, and talk to many people about the Lord in our brief encounters.

We want to express our gratitude for the love and prayers sent up to God on our behalf. We are looking forward to returning. May God bless you all!

In Christ,

Your missionaries to Brazil,

Bro. Bob, Naomi and Family

P.S. I have included below, a link to a video recently produced by our son Charles that highlights some recent events of the work in Carmo. Feel free to view it and I trust it ill be a blessing.
