“And daily in the temple, and in every house, they ceased not to teach and preach Jesus Christ” Acts 5:42

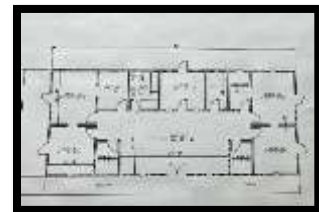

It is such a joy to serve in Mbira Baptist Church. This is my discipleship class on Sunday mornings before church begins. There is such a hunger for the Word of God in this place. Please pray for these young people that God would use them in a mighty way to bring people to Christ.

God allowed us to host our first ever family conference. We had a wonderful guest speaker that taught clear biblical truth regarding marriage and raising children. We had 40 people attend this 4 day conference. We had a lot of fun and saw much growth in our people.

The orphans come into our compound for haircuts every month. This gives our boys an opportunity to teach them how to play basketball. They have taught our boys how to play soccer.

We are praying for God to provide. He has brought the opportunity to buy the acre of land with 2 great buildings. We still need \$60,000 to finish the purchase. We would love to make a payment of \$20,000 in September to keep the process moving. Currently our 100 Nursery kids meet in a 300 sq ft building. They are very cramped! Our hope is to repurpose one of the new buildings into a 2,800 sq ft Nursery School. The location is exactly what is needed to meet the government requirements. Please pray with us that God will provide for this.

Way and Truth Baptist church one of our church plants has had an impact in their community during July and August. We have reached 7 souls with the gospel and witnessed to many more on our Sunday afternoon soul winning program.

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privilege to serve Christ alongside our partners.
