

VERITAS

BAPTIST COLLEGE

September 2, 2023

Hello friends!

Recently, we began the fall term and officially started our 40th year of training Christian leaders. I am so encouraged with the group of students God has sent to us. They are passionate about serving the Lord, hungry to learn, and committed to truth.

I wanted to take a moment to thank our partners. Some prefer to give anonymously, some through churches, and others through different businesses and organizations. Some give as the Lord leads, some give quarterly, others monthly - but if you are receiving this letter, you have given something!

Because of your gifts, we are able to keep our tuition costs low, making a quality Christian education available to more people. Our new students this year include a pastor who wasn't able to finish his undergraduate degree years ago. Because of partners like you, we were able to offer a scholarship to him, allowing him to move forward. This year, a missionary couple started together - one in our undergraduate degree and another in our new doctor of ministry. Your gifts allow them to study together. The stories could be multiplied, but suffice to say - you are making a difference in the lives of many people that you may never meet until heaven. So, on their behalf, I say, "Thank you!"

We still have a second term to register for this fall, but we have already seen over 60 new students begin. We have a record number of graduate students. We were able to launch a new doctor of ministry program. If you follow us on social media, we are planning a new announcement soon!

From all of us at Veritas, thank you for your friendship and your willingness to partner with us!

Truth Matters!

J. Michael Lester, President
Veritas Baptist College
