BAYREUTH...BUILDING WAS FLOODED.

The church in Bayreuth began renovating their church building this Spring. They were enjoying painting each room, putting up new curtains, signs, and banners. All but one room had been renovated when Bayreuth got another rain that overloaded the city's drainage system. The pipes in the street are too small for this type of rainfall. Although our building drainage system was upgraded, it was no match for the deluge that came. While the water was still rising, some of our members began saving our electronic equipment. We lost a few pieces of furniture but because of our upgrades, the loss was minimal.

Our landlord has appealed to the mayor of Bayreuth to upgrade the city's drainage system. Please pray for our landlord's voice to be heard in the mayor's office.

We will be meeting in another location until the beginning of November. Please pray for this congregation to stay encouraged in the Lord.

On August 03, 2023, weighing in at 6 pounds and 8 ounces, Calvary Dallas made her entrance into this world. This is the first child for Zachary and Grace.

SINTI...EVANGELISM AND MISSIONS

Two of our preachers, Remo and Menele, keep the theme of missions alive in the local congregations. They travel, as the Apostle Paul did, to encourage churches not to forget the poor believers in other countries. They also travel to Romania, Bulgaria and Ukraine, encouraging believers and helping them in their evangelistic efforts.

Through these efforts, Sinti in Ukraine who cannot flee the country are receiving care packages and money. These relief efforts are coordinated with Sinti in Romania. The Sinti from Romania travel into the country to preach the Gospel and encourage the believers. When it is not possible for the Sinti in Ukraine to leave their city, the Sinti from other countries travel to them delivering as much help as possible. Please pray for the safety of these faithful men who give themselves for the cause of Christ.
