December, 2023

Dear Brethren at *Open Door*:

The year 2023 is coming to a close and we hope you can say that God had been good. He loads us daily with benefits that comes from His hands of grace.

It seems as if that old-age forgetfulness has begun us. We just realized that our last update was in June. We are sorry for being neglectful to keep you updated on what God is doing for us and through us.

We have shipped several boxes to the Philippines in the past 3-4 months. One of those boxes went to a school for children with autism and down's syndrome. It is administered by a pastor and his wife who were young singles in the church that we started from 1981-1985. We are currently getting another box ready to ship to them. They have a thriving ministry in Muntinlupa, which is a city on the south side of Manila.

Physically, God continues to bless us with good health for our age and continues to add daily strength that enables us to still serve Him.

Thank you so much for your continued support and prayers for us. We do so appreciate every sacrifice you make for us. Thank you for the support of 60- in July, the 60- in August, the 60- in September, the 60- in October, and for the 60 in November.

For Christ Alone,

The Diamantes
