Dear Friends in Christ.

Greetings in the name that's above all names: The Lord Jesus Christ. "And again, when he bringeth in the first begotten into the world, he saith, And let all the angels of God worship him." It's Christmas time again. It seems to come around so often, but thank God for His precious gift to us, the Lord Jesus Christ. We don't know exactly when He came, but we know He came.

I lost a dear friend and Haiti lost a faithful servant of forty-five years. Don and Bridgett have been dear friends we met in nineteen seventy-five in Haiti. They got there one month before we did. They, Don, Bridgett and Benji spent three months with us on our boat. We have been like family ever sense. Grace Baptist Church built them a home very near the church property. I had the privilege to build their kitchen cabinets.

I had planned to go to Nigeria in September, but things didn't work out. March is our next goal as the missionaries, Mark and Sabrina Holmes are very much occupied for January and February. Please pray the Lord will use us and we can see many Nigerians receive Christ as Savior.

We emphasize that people can be won to Christ anywhere. I was doing some work for Central Baptist Church in Crawfordville, FL and a truck made a delivery for the work. The truck driver had never been saved. I told him the story Bro. James Crumpton told of his salvation. He was convicted during a revival meeting at the family church, but he hadn't been saved. One day he was riding his bicycle, when the Holy Spirit convicted him of his sin. He stopped the bicycle, got on his knees, and asked the Lord to save him. I told this man he could do the same thing, and he did. The Lord is not interested in where you are physically, but He sure is interested in where you are spiritually! Keep winning folks wherever they are. The gospel is always "go."

Yours in Christ,

Bro. Daylon Hicks
