Missionaries to the Basque Country, Spain

January-March, 2024

Visiting

We arrived in Mexico on December 20. By God's grace we were able to spend time with our parents and family. In January we attended our mission board's conference, visited several churches in the area, and carried out several commitments we had. In the month of February I was able to preach in a revival conference and a marriage retreat.

At the beginning of the month of March, Tete and I were invited to speak in the ladies conference in our church (Bible Baptist Church of San Luis.)

When the conference ended, we went to Leon to participate in Crown of Life Baptist Church's missionary conference, and once that finished we traveled to Morelia where we carried out the first Missionary Link retreat for pastors and missionaries, which took place in META's camp property. After that we went back to Cuernavaca to say goodbye to our parents before returning to Spain. A week ago we participated in Calvary Baptist Church's missionary conference in Oklahoma. It was a great blessing to be able to meet precious brethren and Pastor Santiago Marlo. In the next few days we will be in two more churches, thus ending our commitments for this occasion.

We will soon be back in Spain!

Dear brethren,

Greetings, dear brethren! The last three months we have been visiting some of the churches that support our ministry. Through this report we will put you up to date with what we have been doing. God bless you! Thank you very much for your prayers and faithful support!

The work continues in Spain

Our coworkers continue faithfully in the work in Spain. Our beloved church keeps growing, with new people visiting and brethren being edified and transformed by the Lord.

At Aierdi, the 58th Intensive Bible Institute was carried out, in which almost 80 people were present. Some of them traveled from different parts of Spain to be able to attend. One week ago the 4th Apologetics Retreat was carried out, to which brethren from different parts of Spain attended. According to what we have heard, it was of great blessing and edification. We ask you to pray for the next Pastors and Workers Retreat that we will have in the month of August. Our pastor, Pastor Luis Ramos, will be the speaker during this retreat.

First retreat for pastors and workers

We are very thankful to our Lord for Missionary Link's first retreat for pastors, missionaries, and their families. We were able to carry it out in META's camp property, in Morelia. Close to 70 brethren participated in this first retreat. The main speakers were Pastor Roy Velez, Bro. Jim Gardner and myself. The Lord was with us, and His Spirit worked in the hearts and lives of everyone that attended this first retreat. Now we are praying for the Lord's direction, as our desire is to carry out the second retreat next year.
