*"God is faithful, by whom ye were called unto the fellowship of His Son Jesus Christ our Lord." 1 Cor 1:9*

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

We elected new Prefects in our Secondary School. They campaigned for their position on the Student Council. After they were elected they were sworn into office and certificates were given to the outgoing prefects. It was a fun afternoon.

We are so excited to have Daniel Schaffer from Open Door Baptist in LA. interning with us for 3 months. He is currently working on his degree with Veritas and is trying to gain as much ministry experience as he can. He has been with us for a month and has preached in Secondary chapel and a Wednesday evening service. He has taught Bible in Nursery and Primary classes. He has been actively involved in the boys evening devotions. All while taking a full load including Greek. Next month we look forward to him preaching in our Sunday service as well as preaching in one of our church plants in Kalisizo. God is really blessing this internship.

We truly appreciate Daniel's servants heart.

God is providing! We have 6,000 sq ft buildings next to 2,000 sq ft for our new Nursery. The purchase price is \$75,000 provide the full balance. The Nursery Building, now that we you pray with us that God to finish the purchase so we from Google Earth, this is our we are purchasing are circled in

Each week on Saturday we go out and visit with either a church family or a school family. We ask them to invite their neighbors to hear the Gospel as we also encourage the families. As a Dad, I have been blessed by my boys getting involved in ministry. They have been preaching in devotions and visitation as well as attending Leadership Bible College.

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privilege to serve Christ alongside our partners.
