"This is my comfort in my affliction: for Thy Word hath quickened me." Ps 119:50

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

May is a school holiday between the first term and second term. Things are pretty quiet with all the students gone. This allows us time to focus on the church and its members. This holiday we were blessed with a baby dedication. This faithful family has been serving the Lord in our ministry for over 6 years. We also were able to witness the wedding of Josephine, our school bursar. She is excited to begin her new journey in married life. We praise God for her example to our youth. Most young people in Uganda choose living together as opposed to Biblical Marriage, this is due to the high bride price that is required.

Daniel has completed his three month internship. What a blessing he has been to our family and ministry. God has blessed his time here with many new friends and many valuable life lessons. He has gained new experiences and seen God working in his life during the time he was serving here. He really enjoyed the safari and God rewarded him with very unique safari. Two lions were moving around among the vehicles looking for shade. If you know of anyone who is looking for an internship opportunity, please forward our contact info to them.

Please be in prayer for the family of San Dee Stradley. This dear friend has been faithfully supporting our family and ministry for 13 years. She has sacrificially given to help buy our shipping container when we moved as well as building projects and even the land purchase we are raising funds for now. This month God called her home to be with Him in heaven. I am so thankful that I got to see her last year when I was stateside. We praise God for the faithful servants He brings into our lives!

Amanda and Tim are expecting their second child anytime. God provided for Michelle to go to Brazil to help her take care of Elena and adjust to life with two kids. We were able to work it out for Michelle to be in Nashville for a few weeks before Brazil. What a blessing to be able to see our 4 and 5 year old grandkids! They were 2 and 3 the last time Michelle saw them. God's work demands some difficult things sometimes. He is worth it! We praise Him for sweet reunions and the time that He does give us with our loved ones. Please pray for Jim and the boys as they are reminded of how big of a job a wife and mother has. We miss her!!

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privilege to serve Christ alongside our partners.
