Ron and Susan Taylor
Church Planting Missionaries

Fall 2024 Newsletter

We had an incredible summer here in New York City. Summer is our busiest season and an opportunity for endless outreach. One of those outreaches was focused on reaching families. Each one of our churches hosted their own Vacation Bible School for the community. We made so many new contacts and were able to present the Gospel each and every day. We were also blessed by two groups from Missouri that served alongside our team as well as many volunteers from our church plants. We made follow up a priority and have seen many of these new families visit our churches and we're in the planning stages of exciting fall family events that will be gospel centered.

We've also seen many salvations and baptisms over the last few months. There is no greater joy than seeing someone dedicate their life to serving the Lord Jesus Christ. Please be in prayer for these individuals as we help them grow in their relationship with the Lord and get them plugged into discipleship and connect groups.

We couldn't do this work without our team. With our 5 in 5 vision of planting five churches in all the five boroughs of New York City, we pray every single day for more laborers. We're excited that God continues to burden others in reaching the world through NYC. We'd like to introduce you to our newest team members:

Allyson Taylor (our daughter) & Gabe Laidlaw

They both will be serving at our newest work in Brooklyn (Lefferts Park Baptist Church). Allyson will be helping with administration and discipleship and Gabe will be focused on youth and young adults. They bring a fresh perspective and have already been making great connections through new connect groups and discipleship opportunities.

We are also currently awaiting the arrival of our second grand baby. Our grandson, Emery Warren, is due October 6th. Please be praying for our son, Noah and daughter-in-law, Hope as she delivers this new baby boy and for big sister, Everleigh as she adjusts to this new addition.

We're so grateful to partner with you in reaching the world through New York City. Thank you for your faithful prayers and sacrificial support. It's a privilege to be His hands and feet and together we are making a difference.

As fall begins, we're focused on building connections with the new contacts we've made over the summer. We've started new connect groups that are happening throughout the week in each community as well as each Connect NYC team member focusing on discipling individuals. Our desire is to Connect people to God, Connect people to people, and Connect people to the mission.
