France The White Family

MINISTRY UPDATE:

It's been a good summer here in Charleville-Mezieres! I've been able to take advantage of many nice days to distribute gospel tracks and invitations to church. In France, it's not acceptable to knock on doors but what we can do is go from house to house and put invitations and tracts in mailboxes. We have a powerful tract that we use and pray that God will use these tracts to win people to Himself or be interested in visiting our church. I'm reminded of our teammate father, who picked up a tract back in the 70's and accepted Christ after reading it. You never know the impact of a tract and it's a great tool to share the gospel, especially here in France.

Please continue to pray for Christine. I know that we've mentioned her several times. She's in her late 70's and has suffered a lot in life, most of it without Christ. Thankfully, about two years ago she became a believer. Please pray that she'll desire to dig deeper into God's word and commit her life to seeking Him daily. She's a compassionate person who is always looking for opportunities to serve and volunteer in the community. However, she really needs to find spiritual fulfillment in Christ and not in her earthly works.

MISSION BOARD UPDATE:

A few months ago, our mission board, BMFP, relocated their offices from Jacksonville, FL to Kernersville, NC. The move locates them more centrally on the east coast and will help their missionaries get to them more easily. I believe they've tried to keep all our supporters up to date on their change of address. However, if this information is new to you, please note their new mailing address is:

BMFP
P.O. Box 219
Kernersville, NC 27285

FAMILY UPDATE:

Adie and I would like to thank you for your continued prayers for our family. Millie, our diabetic, is doing well. However, her quarterly AC1 number was higher than expected. If you would please pray that we'll be able to effectively manage her diabetes. Also, Mac has had several flair ups with his stomach issue and as always, we covet your prayers for him.

Thank you again for your prayers and support! We're truly grateful!

PRAYER REQUESTS:

- Souls saved & disciplined
- Spiritual growth within the church
- Physical health of our family
- Tract distribution
