

# SLATERS \_\_\_\_\_ SERVING IN IRELAND

## MINISTRY UPDATE

OCTOBER 2024

Greetings to all of our friends from the warm and stormy South of the USA! We have been on furlough since the beginning of August, and we are currently spending our time raising finances and sharing in-person reports with our supporting churches.

Before we left Ireland, we organised a Holiday Bible Club with our teammates, Doug and Amber, and the help of one of their supporting churches. Throughout the week, over thirty children attended a week of fun and Bible teaching. By the final day of the club, seven children were saved! We praise God for the work He is continuing to do through the sacrifice of His servants!

Once we arrived in the United States, we enjoyed some respite with our families before hitting the road. We have since travelled through eleven states with a loaded down SUV, visiting some new churches and several supporting churches and individuals. We are incredibly thankful for the new friends we have made along the way as well as our dear friends across the US. We are also thankful for the many ways that the Lord has provided for us! Not only has he taken care of our expenses on the road, but He has also raised additional support for our ministry! He is faithful and merciful to us in every situation.

Meanwhile, in Ireland, our church was privileged to watch three more believers follow the Lord in baptism! Nathan, our teammates' son, professed Christ as his Saviour, as did another child in our ministry. Additionally, one of the teens who was saved at youth camp also was baptised! We are so thankful for the step of obedience that these young men have taken.

Many of you have been praying for our vehicle needs. Our big "bus" has officially ended its career with our family and will have to be scrapped. However, the Lord has provided in miraculous ways! We will be shopping for a vehicle when we return, and we are praying for God to direct and provide according to what we need. Thank you to all of you who have prayed and given sacrificially to meet this and many other needs in our ministry, and we continue to place our hope in the God of Miracles. God bless you all!

***John, Emily, Abigail, Josiah, Micah, Noah, and Lydia***
