"I will praise thee, O LORD, among the people: and I will sing praises unto thee among the nations." Psalm 108:3

Dear Pastor, church, family and praying friends,

States-side...

We bless the Lord for many miles traveled in safety, many opportunities to do all we can to encourage pastors and the local New Testament church, and for one young person that came after services to confess Christ as Saviour!

Internationally...

Hungary & Ukraine - Through Brother Zsolt Kovacs, our missionary to Hungary, the partnership with a local church in Ukraine to start reaching a prison in north-east Ukraine will, with God's help, soon begin! ***Please keep praying!***

Guatemala - Brother Josh Hill, our missionary in Guatemala recently met with a school principle who, because of a bad experience with some other person in the past, had told him she would "...***never again*** allow an evangelical back in school." God gave Brother Hill the opportunity to share his heart with this lady. It resulted in a request to present the ministry's prison prevention (PP) curriculum not only to the principle, but to the district head and the city mayor! At short notice, one of our men working with PP internationally flew over to make the presentation. We expected the authorities to take time and consider the matter, but ***at the meeting, they authorized work to start in all 16 schools in the district!*** Target date - February 2025. A team of translators has been assembled to work on the curriculum.

Please pray for the Hill family, the translators, and for me as we work on everything that has to be done!

Africa - Three men in three different African countries have surrendered to missionary service! Brother Awumay (Ghana) has volunteered with ROA for 6 years, already overseeing 8 men reaching over 25 prisons. Brother Jaluge (Uganda) has volunteered with ROA for 8 years in prisons, schools and helped us hold training conferences; he has a burden to reach every school in his country. Brother Ugwu (Nigeria) has volunteered with ROA for 6 years, and also wants to see the public schools in his country reached. ***Please pray with me as we work and plan to put together a trip taking missionary training to Africa in Spring 2025! Our desire is to bring these three men together, plus our national Zambian missionary, Brother Caphias Mulaisho (served with ROA 8 years) for missions school. My prayer is to see these 3 men accepted as missionaries, and give the opportunity for all 4 African men to meet, get to know each other, and maybe God would forge a comradery to help take the work forward.***

Family news...

Since arriving in America in 2014, my family and I have not visited home together to my home (U.K.) or Violeta's home (Romania). We are praying and asking the Lord if He would make provision to go see our families in summer of 2025. We would sincerely appreciate you praying for provision for this trip. Should the Lord lead you to help financially, please kindly send donations to A/C #114 marked "Furlough."

Our sincerest thanks to you for your continued love, prayers, and faithful support as we labor together in Christ!

Your missionaries,

Brother Mark & Sister Violeta, and family
