*In God we boast all the day long,

**Psalm 44:8**

Dear Pastor and Praying Friends,

God has indeed done exceeding abundantly above all that I could ask or even think possible. He enabled me to finish liquidating our things accumulated over the last nearly 40 years. During that time, He gave me the privilege to speak to ladies groups in Pomarode, Carmo, and Formiga.

While in Formiga, I attended the Children's Day activity that was put together by the church that my husband had started in 1994. Many young adults who had taken their children to the activity, came to me and told me that they had come to the youth activities, or AWANA at the beginning of our ministry there. They are now saved, married to people who have been saved, and want their children to grow up in a church that preaches the gospel as well.

Chatting separately with three young ladies, I was able to help them in their walk with the Lord.

A couple of visits were made which did not yield fruit immediately. One was a hospital visit to a nurse who had tried to take her life. She had lovingly taken care of me when I had had surgery a few years ago. I was not able to bring either herself, nor her sister who has been a Catholic nun for 19 years to the Lord. Another visit was made to a home where my husband had given the gospel many years ago. A nurse, and three family members heard the gospel again. I will trust the Lord to bring forth fruit in His time.

I rejoice that Marli, whom we had prayed for since 1998 and her adult son Dennis, gave their hearts to the Lord in a visit. They both were fruit to years of ministry in Formiga.

It was my great joy to be able to lead my Catholic podiatrist to the Lord in Carmo do Rio Claro. Dra. Mariangela sent me a letter of thanks later.

How I praise the Lord for the privilege of getting the gospel to the lost. I am eternally grateful for your love, prayers, and financial support.
