## Missionaries in the Basque Country, Spain

March-April, 2025

### Beloved brothers:

We are always grateful to God for each of you who faithfully pray for us and support us so we can continue with the ministry the Lord has given us. May God bless you greatly!

### Church

Practically every Sunday, we reach an attendance of around 150 people, and we also have visitors each week, some of whom continue to attend faithfully.

God willing, we will soon have three baptisms, one of which will be Joaquín, who along with July, continue to attend the church faithfully. The work of God's grace in their lives is evident!

There are other precious brothers and sisters in whom we see the transforming power of the Holy Spirit, as well as families in which God is working. Of course, there will always be sad and regrettable situations as a result of not attending to the Word and its instructions.

Please pray for our church, that the Lord continues to carry out His work in this place.

### A chair for the church

You may remember that in our last report, we shared the need to buy more chairs for our church. The members of our congregation have been generous and have given offerings for this project, but we also received very generous donations from two supporting churches (Berean Baptist Church, Bible Baptist Church and Mount Calvary Baptist Church). With these offerings, we have been able to purchase more than enough chairs for this need. May God bless these generous churches!

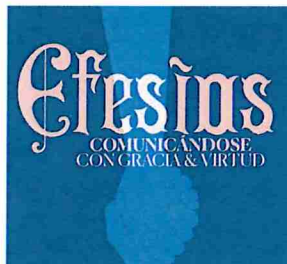

### Ladies' Conference

The ladies of our church enjoyed a good time of teaching and fellowship during the ladies' conference "Rejoicing 2025." Although not all who wished to attend could be there, some because of their work, a good group did arrive. This year, Teté had the invaluable help of several ladies from the congregation who organized the food and decorations

### More news...

This coming summer, we will have a record number of groups coming to assist in the ministry—a total of four. Some will come to help with various projects at Aierdi, while others will run a summer school for children—an activity we've done in previous years and which has been a great blessing. In the coming weeks, we will hold the 62nd Intensive Institute. The theme will be "Ephesians: Communicating with Grace and Virtue."

As you may remember, the Lord provided Aierdi with an excavator, a machine that has become very helpful for certain jobs. It's a great responsibility to operate such a large machine! My son-in-law Steve, who came with our daughter and grandson to visit us, has been training me to operate it. Others, like my co worker Andy and his son Danny, already use it, and now the Lord is giving me the opportunity to learn how to handle it. It's a big and new challenge for me. We ask for your prayers so that the Lord may be glorified through all the work and preparations we have ahead for this summer.

Next institute in Aierdi

New challenges

Ladies' Conference

Aierdi: many activities for the summer
