UPDATE & PRAYER LETTER

Dear Brethren at *Open Door*;

We trust you are experiencing the blessings of God. We are sorry for this long absence of letting you know how we are doing. Virginia has been sick with bronchitis and some stomach issues, all of which have been resolved. God is good and continues to bless us daily with His benefits.

Several loads of Sunday School material have been taken to be shipped to Africa and we are preparing a shipment of hymnals and church educational material for the Philippines. We are supplying the local Good Samaritan center with reading material for their waiting area and continue to accept used Sunday School material from local churches.

We stay busy with the bookstore (no profit) and serving in our home church (Unity Baptist Church—Ripley, MS) through teaching in Sunday School and printing the monthly missions bulletin.

The work we left in the Philippines is doing well, although the Christian school had to be closed because of government regulations which it could not meet. All the students from the school are doing well (dean's lists, with honors, president's lists, cum laude, etc) in the schools to which they transferred. Many of them are active in the church and a great asset the the church. We praise the Lord that their lives have become useful for His glory.

Thank you for much for your continued support and prayers. Do continue to pray for us.

Thank you for the support of \$160- in January, for the \$60- in February, for the \$60- in March, for the \$60- in April, for the \$60- in May, and for the \$60- in June. May God continue to richly bless you.

FOR CHRIST ALONE,

The Diamantes
