Dear Praying Friends,

Each day is a Challenge in the work of God. God is always faithful in all that we do.

The work continues with blessings. Our newest work in Sarapiquí baptized 9 this month and they dedicated two more Sunday School rooms. God has blessed this new work under the leadership of Pastor Luis Valverde.

Another church in Tibas has had baptismal service on a regular basis and has received new members each month. Also, Daniel Fallas was named youth pastor of the church. He was presented as a baby some 35 years ago and now he and his wife are the youth pastors. So good to see how God has a plan for every work.

Our Church in Pavas pastored by Albert Sotela, had special meetings and 148 accepted Christ as Savior. The young people are on fire to win souls. They have formed teams to go out and evangelize. Thank you for your prayers for these churches.

Our goal is always to reach the lost and establish Bible Believing Churches here in Costa Rica and other countries.

Thank you,

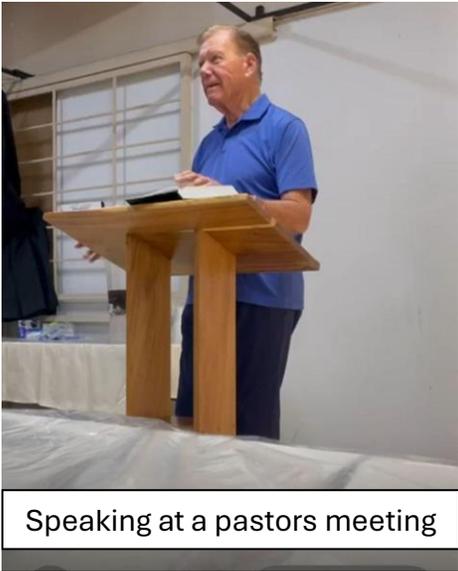

Bill Tabor
