**We give thanks to God for a wonderful summer!**

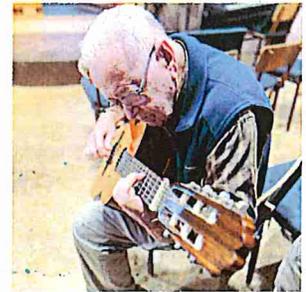

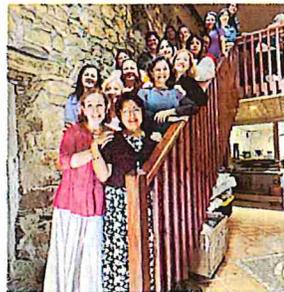

God bless you, beloved brothers and sisters!  
Receive warm greetings once again from the Basque Country. We are about to finish one of the busiest summers we've ever had at Aierdi. Not only did we welcome five work teams who actively got involved in the ministry, but we also held our 11th retreat for pastors, missionaries, and workers. More than 60 brothers and sisters from different parts of Spain were able to participate and enjoy excellent teachings shared by our dear friends Ezequiel and Miriam Salazar, who were used by the Lord in a very special way. And, as could not be otherwise, we also enjoyed a delicious meal prepared by the wonderful cooking team led by Teté. Thank God for Aierdi!

As we like to say, we really made the most of brothers Ezequiel and Miriam! Since they arrived a week before the retreat, we had the blessing of having them participate in other church activities, such as the prayer meeting and, in a very special way, our couples' gathering, where they both taught and were a great encouragement and challenge to all of us.

Several brothers and sisters from the congregation told me how much of a blessing their teachings were. Everyone was so happy and thankful!

On Sunday, they both taught in Sunday school, and brother Ezequiel preached an excellent message. Afterwards, sister Miriam was able to lead two young women from Venezuela, who have been attending church, to Christ. It was truly a wonderful Sunday, with more than 120 people present and beautiful spiritual fruit.

It was also very special to have brother Flay Allen with us. He has completely lost his hearing—something very sad for someone who has dedicated his life to music. Literally overnight, he became deaf due to a strange virus. Yet brother Flay, as always, showed a heart full of contentment. What a great example for all of us!
