FALL 2025

Dear Brothers and Sisters in Christ,

Thank you for your faithful support! We appreciate you and are praying for you regularly as we labor together in the Lord. What special prayer requests do you have that we can pray for specifically? What is on your heart? What obstacles or opportunities are you facing that we can pray for? Please email your prayer requests to rjfreret@gmail.com.

Recently, we connected with Bro. Rufus and Sis. Esther Saripalli, missionaries to India. They presented their work at Valley Forge Baptist Temple. Bro. Saripalli has been working for 30 years on translating the Bible from the King James into Telugu language for the Christians in his churches in India. He recalled that Rene' encouraged him to find a local way to print the Bibles in India, as they are extremely expensive to ship to his area. He is almost finished and looking for a local printer in India. BEAMS is committed to helping with the printing process!

If you have never heard the story of how BEAMS started, I invite you to watch a short video at this link: <https://www.beamsbibles.com/services>

On a personal note, we live in Souderton, PA, near two of our daughters and their families. We now have 9 grandchildren and 3 great-grandchildren. God has been gracious and merciful toward us! We are attending members at Valley Forge Baptist Temple which has a robust missions program and we have opportunities almost every month to interact with other missionaries and present the BEAMS Ministry.

Do you have any questions about BEAMS that we can answer? If you have any requests for BEAMS Bibles, special services, or a visit from one of our BEAMS Missionaries, please contact the BEAMS office at: 1-228-832-1096 or office@beamsbibles.com.

Your BEAMS missionaries,

René and Freda Freret
