Missionaries in the Basque Country

September-October, 2025

Dearly Brethren,

There is no doubt that time flies; every passing day is one less day until we are with our beloved Savior. Let us remain faithful, doing what He has commanded us to do, and let us do it with joy and gratitude. It is a great honor to labor alongside the Lord of the harvest! Forward, steadfast and courageous!

Conferences

In the month of September, Teté and I had the privilege of participating in three missionary conferences to which we were invited. The first was with Pastor José Bowker in Macon, Georgia. It was especially meaningful for Teté and me to be with Berea Baptist Church and with our beloved brothers José and Tina, whom the Lord used greatly to impact our lives. I can say, without fear of exaggeration, that our ministry and our lives as servants of the Lord are, in great part, what they are today because of our beloved Bowker family. It was truly a great blessing! The second conference was the missionary conference of our sending church, Iglesia Bíblica Bautista of San Luis Potosí. I had the privilege of sharing the Word with pastors and missionaries throughout the week, and Teté was also able to share with the ladies.

It was especially exciting for me to see the Enlace Misionero team participate in the conference. It was a privilege for us to be present and to witness the work of the Spirit as He challenged the congregation, the pastors, and the missionaries who were there. It was a wonderful conference! Personally, I thank God for how He is using our Enlace Misionero ministry. We pray that the Lord will give us more opportunities to encourage, instruct, and challenge God's people regarding the missionary work.

The third conference was also in San Luis, at Iglesia Bíblica Bautista El Gran Redentor, a beautiful church that is going through a time of transition. Even so, the brethren are eager to continue supporting the missionary work, with a precious heart and great enthusiasm.

Our Congregation

After being away for a month, it was a great blessing to return to our beloved church in the Basque Country. The Lord continues to bless us in a very special way. The church keeps growing, to the point that we are beginning to consider the possibility of finding a new building. Currently, we gather around 120 people every Sunday, sometimes reaching 150. This is a good problem to have. Please pray that the Lord will give us wisdom and direction. It is yet another wonderful opportunity to see Him work miracles!

Additional news

What a great joy it is for me to share the testimony of a soul saved! Gregorio is a man who has been attending the church for several months. A few weeks ago, he approached me and told me he wanted to talk with me about God. He is a Polish man who grew up in Catholicism, but became disillusioned after a bad experience when he was young. I was able to share the gospel with him, and after listening attentively, he decided to place his faith in our Lord Jesus Christ as his Savior. There are other people who are attending the church who still have not placed their faith in the Lord; we ask for your prayers that the Word will continue working in their hearts and that they will soon be saved.

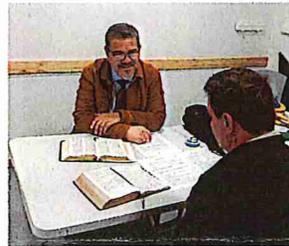

Regarding Aierdi, we thank God that we were able to have our first youth mini-retreat. We praise God for this new activity. This coming December we will hold the twentieth retreat for missionary kids. We are praying that the Lord will use this very special time in the lives of the young people who will attend this year.

Thank you, beloved brothers and sisters, for standing with us in this wonderful ministry that the Lord has entrusted to us.

May God bless you!
