***“A Prayer of Moses the man of God. Lord, thou hast been our dwelling place in all generations.” Psalms 90:1***

Dear Faithful Partners,

Three things come to mind in the above verse as we have closed out another year together serving the Lord. First, it is a prayer of the man of God, second it acknowledges that the LORD is our refuge and dwelling place and thirdly we see that in all generations, both past and those to come, the LORD is our purpose and place of service. This past year we have driven approximately 40,000 miles and flown over 35,000 which included three foreign trips and four prison campaigns here in the states. The Lord has blessed us to be personally involved in seeing over 225 souls saved. Thank you for your faithful prayers and financial help in 2025. A special thanks for the many cards and letters we received throughout the year. It reminds us of the love and support that so many of you have shown Judy and me over the years.

The months of November and December were packed with weeks of traveling. The Lord again kept us safe through the many miles. We were able to take time with all our children and grandchildren during Christmas and it was a great joy. Like so many at this time of the year, we dealt with some flu and sickness but over all else we had a wonderful Christmas and New Year.

**2026 is shaping up to be a very busy year, please join us in prayer for several meetings and projects.**

- The first week of February we will be holding our annual Ministers Practical Training meeting at the home office of the Rock of Ages. The sessions will be February 2-5, 2026, and lunch will be served daily. Many pastors and ministry leaders will be teaching various subjects to help with today's challenges our churches are facing. Pastors and church workers are all invited. Pray the Lord will bless again this year.
- Pray for our annual Alabama Prison Campaign. It is now 17 years since the Lord laid on my heart for a

place where God's people could come and laborer in an often-forgotten mission field. With nine prisons and jails to reach and with the possibility of over 7,000 inmates to reach, prayer is truly needed. Realizing that many are not comfortable entering prisons, we believe your encouragement is so important to those of us that are called to this work. We meet at 7PM on Monday night at the Grace Baptist Church in Wetumpka, AL and then each morning at 9-12PM for old fashion camp meeting services. Just your presence is a great encouragement to the many missionaries and pastors that will present. If you can, come join us for the services a day or two or the entire week, it would be a great joy. For more information, please feel free to contact me at [rickydunsford@gmail.com](mailto:rickydunsford@gmail.com).

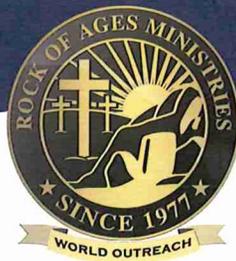

- When you are traveling the number of miles we do each year one area of constant need is a dependable vehicle. It has come that time again for Judy and me to purchase a newer model. We would like to look at a good dependable midsize SUV. Please join us in prayer for what the Lord would have for us.
- **Since June of 2025 our pastor of 19 years felt the Lord was leading him to another area of ministry. The men of the church asked me if I would help through the transition of seeking the Lord's will concerning our next pastor. Please pray for us as we want to be patiently waiting on the Lord to send the man He desires to lead us forward.**

God Bless each of you and may the LORD bless in this New Year. We look forward to seeing what the Lord has for us!

*“All my state shall Tychicus declare unto you, who is a beloved brother, and a faithful minister and fellowservant in the Lord:” Colossians 4:7*

Many times, when the Apostle Paul introduces or addresses one of his partners, he uses the word faithful, meaning trustworthy, reliable, you can just count on them. As we begin another year it has been thirty-five years since we began the foreign outreach of the Rock of Ages. It has been thirty-two years since many have partnered with us through the Titus Partners Outreach. Through the years we have been able to hundreds of volunteers to work in their local jails, prisons and public schools. Several of the volunteers have become fulltime missionaries with the Rock of Ages and have developed works throughout their countries. Through your faithfulness to give and pray we have been able to assist several national men establish local churches.

We accepted five new foreign missionaries in 2025. These men and their families served as faithful volunteers with the Rock of Ages reaching the public schools and prisons in their countries. Due to economical and geographical difficulties, it is hard for the missionaries to raise funds needed to carry out their work. Through the Titus Partners our foreign families are able to work full-time in their ministries. Thank you again for being a faithful partner reaching the world through our national workers and missionaries. Your gifts help to supply transportation and supplies necessary for both the workers' families and the needs of those they are reaching.

Your monthly giving and special offerings have helped ship several containers filled with Bibles and printed material. Today thousands that may have never owned a Bible, now sit daily and hear for the God of heaven. Many school kids study through the Character Under Construction

material and daily thousands of inmates are able to study the Prisoner's Bible Institute material around the world.

2026 is already shaping up to be a great year! Teams of our international staff men will be holding Missionary Training in various countries as well as volunteer training sessions around the world. At present, we have two families that have been working as faithful volunteers for several years that believe the Lord has called them to fulltime missionary services. We will be holding missionary training classes in their countries in April. Pray as we work with local Baptist church pastors and challenge national churches to support these families.

Please pray for two areas of work overseas. As a result of campaigns held in several African countries and the country of Brazil in 2025, many doors of opportunity have been opened to the Rock of Ages. The need to help our new missionaries with monthly support and the ongoing need to sustain our field offices is imperative. Pray the Lord will add more monthly support to the Titus Partner Program.

*Thank you again for Faithful Prayers and Financial Gifts that truly result in fruit that remains for our LORD's glory.*
