

February 2026

Dear Friends,

Let me begin by wishing each of you a very Happy New Year! We are excited about what God is doing in the ministry. I know it has been a while since our last prayer letter, but we hope each of you is doing well. As you know, everything is increasing in cost—including postage—but we will do our best to stay in touch.

The Lord has blessed us with several good meetings recently. In North Carolina, we were with Peace Baptist, Legacy Baptist, Victory Baptist, Grace Baptist, Grace Baptist in Holly Ridge, and Truth Baptist. Souls were saved, and the altars were full. From there, we traveled to Harmony Baptist in Plant City, Florida, for a week of meetings with Bro. Osborn. What a tremendous meeting it was! The altars were full each night, many young people responded, and one young man trusted Christ as his Savior. After that, we returned home for the Christmas holidays, some much-needed rest, and a few doctor appointments. While home, I had the privilege of preaching at Calvary Baptist Church and Parkway Baptist in Athens, TN. We believe the Lord encouraged hearts in each of these services.

Our calendar is beginning to fill for the new year. Although we are starting to slow down a bit due to some health concerns, as long as God allows, we will continue to press on for His glory. Age and health are factors we all must face, but we know God is in control of it all. As long as He gives health and strength, we will continue serving.

We do have several prayer requests we would appreciate you praying with us about:

1. We need to sell our motorhome. It is a 2004 Holiday Rambler, three slides, diesel engine, full-timers model, and in great condition.
2. I will be facing a tendon release surgery in my left hip, likely in February. It will be an outpatient procedure.
3. Please pray that we will be able to continue encouraging small and struggling churches and pastors. We are seeing many churches losing their pastors at an alarming rate.

We want to thank each of you for your faithful prayers and support through the years. God is using you to keep us on the road, seeing souls saved and lives changed. We have lost some support, possibly due to my health issues, but our God is still supplying our needs. Thank you to those who faithfully continue to stand with us. May God bless each one of you in a special way—that is our prayer.

To God be the Glory,
Terry & Jackie Kendrick
