

How to: Application

Lesson Five

Application is both for yourself and others.

Three principles for application:

1. Make sure to make clear when it's a _____ application.
2. The lionshare of application is done by the _____.
 - Application should always be consistent with your observation and interpretation
3. Application is taking the _____ of a passage and making it pertinent for today.
 - *Telos* - The Holy Spirit's end goal and objective in a portion of Scripture

Four rules for application:

1. Some scripture teaches _____.
2. Some scripture gives a clear _____ to follow.
 - Like gravity, these are God's rules for life. He understands how they work better than we do, so why not trust Him?
3. Some scripture implies a principle of _____.
 - Certain principles produce certain spiritual results.
4. Some scripture narrates a _____.
 - Look from these narratives for principles. Search the narrative for other scriptural principles. If you can't find it somewhere else, it's not there.
