

## LESSON TWO: GOD'S CREATION

Genesis 1:1; John 1:1

We started our study by noticing that God wants us to be blessed people, and we gain that blessing by growing in our relationship with Him through His Word (Psalm 1). The first expression of God in the Bible is of His creation. It's a special blessing of God to answer two big questions everyone has: "How did I get here?" and "Why am I here?"
